Congratulations

Congratulations to Darryl & Katie Elliot on the birth of their son, Camden. Please pray for them as he was premature and is still in the hospital. Pray for continued growth for Camden and patience for his parents.

Library

We have a wonderful library! The librarian needs us to not just borrow the great books but to check them out by filling in our name on the card in the back of the book. This is also how she can keep track of which books are most popular and which ones haven't been read in a while and possibly. THANKS
